

| INFO | WHAT IS IT? | HOW SOON IS IT AVAILABLE? |
|--------------------------|---|---------------------------|
| Account status (history) | Date and time your LinkedIn account was created, closed, or reopened. | 24 hours |
| Ads you've clicked | List of the ads you've clicked on. | 24 hours |
| Ad targeting criteria | Contains information we use to figure out what ads to show you. Some of the targeting data may be derived from other information you've given us. For example, we might use your title as a clue to your seniority level. | 24 hours |
| Certifications | Contains a list of certifications that you've included on your profile. | 10 minutes |
| Comments | Comments that you've made, excluding comments on posts in Groups. It includes the date, the URL where your comment was posted, the comment itself, the item you commented on, and what kind of content it was (e.g. articles, shares, new positions, etc.). | 24 hours |
| Connections (1st degree) | Connections you have on LinkedIn. | 10 minutes |
| Contacts | Contacts you've imported on LinkedIn. | 10 minutes |
| Courses | Courses you've taken and listed on your profile. | 10 minutes |
| Email addresses | This consists of a history of email addresses currently or previously associated with your account. The "added" field shows when an email address that has been associated with your account was first added to LinkedIn, either by you or by another member importing his or her contacts to LinkedIn. The "confirmed" field shows when you confirmed an email address that has been associated with your account. | 24 hours |
| Education | Schools you've listed on LinkedIn, plus any details you included like the dates you attended, degrees you earned, and activities you participated in. | 10 minutes |
| Endorsements | A list of everyone who's endorsed you, the skill they endorsed you for, and the date of the endorsement. If you accepted the member's endorsement, the "Endorsement Status" will say, "Accepted". If you hid the endorsement from your profile later, it'll say "Hide" under "Display Status". Rejected endorsements are automatically hidden. | 10 minutes |
| Group comments | All of the comments you posted in Groups. It includes your comment, the title of the discussion you commented on, the name of the group, and the URL linking to the discussion. | 24 hours |
| Group likes | Contains all of the texts "Liked" in your Group posts | 24 hours |

| | | |
|---------------------|--|------------|
| Group posts | Contains all the posts you started in Groups. It includes the post titles, the posts themselves, the time you posted, the group name, and a link to the discussion. | 24 hours |
| Honors | Honors you've listed on LinkedIn plus any details you included like the description, who gave it to you, and the date it was received. | 10 minutes |
| Inbox communication | All of the messages that are in your Messages, Sent, and Archive folders. It also includes the messages in the Trash folder (if you haven't emptied it). The file includes the date of the messages, the messages themselves, the subject lines, and whether a message was incoming or outgoing. | 10 minutes |
| Languages | Languages you indicated that you understand along with your level of proficiency. | 10 minutes |
| Likes | Contains the updates you "Liked" except in Groups. It includes the date you "Liked" the update, the type of post, the title of the post, and the content of the post, if available. It also includes the URL of the post, if available. | 24 hours |
| Login attempts | Shows all the stored account logins for your account. It includes the user agent provided by the application at the time, the IP address of the computer, date, time, and type of login. "Website Login" indicates a login using either the LinkedIn website or a LinkedIn mobile app. "Third Party Login" indicates a login from another site using OAuth, (e.g. a LinkedIn button elsewhere on the web). When we weren't able to determine more information about the login, we simply refer to it as "Login." | 24 hours |
| Mobile apps | Mobile device LinkedIn applications that are registered with your account. It also shows the date(s) they were registered. | 24 hours |
| Name information | The current name on your account and any previous name changes (including the date of the name change and the language in which it was made). | 24 hours |
| Organizations | Organizations you've listed on your LinkedIn profile. It includes details you've provided like the name and a description of the organization, along with your position and how long you were affiliated with it. | 10 minutes |
| Patents | Information about any patents you hold that you've listed on your LinkedIn profile. It also includes details you provided like the issue date, filing number, etc. | 10 minutes |
| Phone numbers | Phone numbers that you have associated with your LinkedIn account. | 10 minutes |
| Photos | Photos that you've shared on LinkedIn will appear in your archive folder as image files. | 24 hours |

| | | |
|----------------------------|--|------------|
| Positions | All of the job roles that you have listed on your LinkedIn profile, including the name of the companies you've worked for, your titles, a description of your duties, the locations, and the dates. | 10 minutes |
| Profile information | The basic biographical information that makes up your LinkedIn profile, including your first and last name and account creation date. | 10 minutes |
| Projects | Projects that you've listed on your profile including the title and length of the project along with a description and any web address you provided. | 10 minutes |
| Publications | A list of any publications that you have listed on your LinkedIn profile. | 10 minutes |
| Recommendations (received) | All the recommendations you've received, including the name of the person who recommended you, the date of the recommendation, and whether you're displaying it on your profile. | 10 minutes |
| Recommendations (given) | All of the recommendations you've given, including the name of the person you recommended and the date you wrote the recommendation. | 10 minutes |
| Registration | The date you registered on LinkedIn, the IP address you registered from, and the member who invited you, if there was one. It also shows your current subscription type. | 24 hours |
| Search history | A list of your recent searches on LinkedIn. | 24 hours |
| Security challenges | Contains a list of all the challenge events for your account. Challenge events occur when you login from an unfamiliar computer or when you've used two-step verification with a "Pin", "Captcha" or other "Challenge Type" to confirm your identity. It includes the date of the challenge, the IP address the login attempt was made from, the assumed country, and the type of challenge. | 24 hours |
| Shares | Everything you've shared or re-shared, plus posts you've made on the homepage, company pages, and university pages. It includes the date, title, description, whether it was public or private (i.e. visibility), and a link to any images you included. If you shared a link, it'll also include the URL. (Note that not everything that gets shared will have all of these data subsets.) | 24 hours |
| Skills | A list of all of the skills you've added to your profile. | 10 minutes |
